# Home Made

Have your cake, mussins, and tea biscuit home-made. They will be fresher, cleaner, more tasty and wholesome.

Royal Baking Powder helps the house wife to produce at home, quickly and economically, fine and tasty cake, the raised hot-biscuit, puddings, the frosted layercake, crisp cookies, crullers, crusts and muffins, with which the ready-made food found at the bake-shop or grocery does not compare.

Royal is the greatest of bake-day helps.

Prices For Butterfat.

Do you know our price for butterfat, last half of January, is 28c per pound?

to \$1.25 per hundred for milk?

Do you know during the winter of 1902 we paid as high as 27c for butterfat; and 25c in 1903?

Do you know these are better prices than dairymen of New York, Wisconsin, and other old dairy states who follow dairying exclusively, are realizing for their milk produced on farms worth \$100 and more per acre?

Do you known this beats raising dollar wheat or fifty-cent corn?

Do you known we paid more money to the farmers of Nebraska in 1904 than all other creamery companies operating in the state.

Do you realize what you are losing if you are not the owner of a De Laval hand separator, and one of our patrons?

Do you know that we sell the De Laval, the best separator on earth?

Do you know that out of a total of 20,000 separ ators used in Nebraska 15,000 are De Lavals?

Do you know, if you are not one of our 20,000 patrons, that it will be to your interest to call on our representative and talk this over?

BEATRICE CREAMERY CO. We sell separators on easy terms. 34-35.

Resolutions Adopted By The Presbyterian Church.

At a congressional meeting of the First Presbyterian Church of Broken Bow held on Sunday eve-Dear Sir:-The Hon. Commis- ning, January 29th, the following sioner of the General Land Office resolution was offered and was unanimously carried:

Mr. Moderator: In behalf of First the Presbyterian Church of Broken Bow in regular congregational meeting assembled and expressive of its gratitude towards its many friends, I offer this Resolution and move its adoption.

That we hereby extend to the Broken tries prior to March 16, 1905, the parsonage from destruction by free and our appreciation of their heroic, though unavailing, efforts to save our church building on Monday morning of last week.

That we acknowledge the courteous and thankful kindness of the Board of Directors of the Broken Bow Business and Normal College and of Mr. S. P. Groat, manager of the Opera House, and of our sister church organizations who have generously tendered the temporary use of their respective buildings as a place of worship.

That we are grateful to the newspapers of our city and county for their expressions of sympathy and to the citizens of Broken Bow and vicinity for generous offers of substantial aid to assist in rebuilding our church.

At the same meeting the following resolution was passed and adopted by a rising vote:

Resolved: That it is the sense of this Do you know this means \$1.12 meeting that the Board of Trustees 1e with the rebuilding of the church and that it is the sense of this congregation that steps should be taken to this end without delay.

The above resolutions were by motion of the congregational meeting ordered published in the local papers.

Harry Sherman of Sargent, was in the city several days, as witness in the Ottun Bros. and Austin case. He returned home Tuesday over the B. & M.

Fraud Exposed.

A few counterfeiters have lately been making and trying to sell imitations of Dr. King's New Discovery for consumption, Coughs and Colds, and other medicines, thereby defrauding the public. This is to warn you to beware of such people, who seek to profit, through stealing the reputation of remedies which have been successfully curing disease, for over 35 years. A sure protection, to you, is our name on the wrapper. Look for remedies, as all others are mere imitations. H. E. BUCKLEN & CO., Chicago, Ill., and Windsor, Canada. Lee Bros.
